Subject: draft barnstable as-built plans
Attachments: 6-5-2015 DRAFT As-Built, Barnstable.pdf

Dale,

Per your recent discussion with Ray, attached are updated as-built drawings for the BMP at the Hyannis Inner Harbor. Primary updates include adding the new perimeter drain around the east and south sides of the BMP, proposed sampling location near the inlet pipe, and revised diversion wall details. Other minor updates and corrections are scattered throughout. These plans are draft, so please review and let me know if you have any questions or comments.

Note that this plan does not reflect updated landscaping plans, however those will be amended once plantings are in place. I anticipate plantings will look very similar to the plans provided by the Cape Cod Commission.

Thanks, and have a nice weekend.
